

COLUMBUS SQUARE

THE WAIT IS OVER!

PARK RENOVATIONS BEGIN MONDAY SEPTEMBER 23

Park renovations will begin on Monday, Sept. 23rd. To ensure everyone's safety and for legal liability reasons, the entire park will be fenced off during construction. Fencing will be put around the perimeter of the park on Monday and the park will be closed during renovation. There will be heavy equipment moving in and out of the park during the process. The only way into and out of the Recreation Center will be through the main entrance on the corner of Wharton and 12th street. Programming in the center will continue but the playground, field, dog park, tot lot and patio will be closed. Except for a construction entrance in the middle of Wharton which needs to be kept open, street parking should not be affected.

During the renovation period, visit our sister parks; Capitolo which has a recently renovated playground, or Gold Star Park; both within walking distance from Columbus Square. While this may be a short-term inconvenience, in the long run the community will have a beautiful space to enjoy for years to come.

Details on the renovations are available at:

<https://mycolumbusquare.org/renovation>

Updates on the renovations will be delivered on our Facebook page (www.facebook.com/mycolumbusquare.) Please check here for any important information on renovation activities or visit the Recreation Center office at the corner of 12th and Wharton.
